Rehabilitation Psychology Name Change Proposal (Rosenthal)

This proposal was approved in December of 2016 but was never brought up in Academic Planning Council. Accreditation bodies need to change the name from Rehabilitation Psychology to Rehabilitation Counseling. This will make it easier for students at the Master's level and will abide by Wisconsin State licensing laws.

The motion was moved, seconded, and unanimously approved.

Academic Planning Council meeting was adjourned at 9:33 a.m.

Minutes respectfully submitted by Maren Harris
